2. [I ordered from Wendy's and my double stacks had no patty...what?](#)
3. [Hey guys have you ever had drinks spill? I'm new, what do you do?](#)
4. [Welp it finally happened to me as a custodriver. If I had refunded it then why did you drive to my house to not deliver it?](#)
5. [If you deliver someone else's food before me, and I get cold food, you are getting a bad rating.](#)
6. [Doordash makin it hard for customer refunds](#)
7. [this is why DD continues to lose money](#)
8. [Does a dasher get in trouble if I report missing drinks? And when I add tip after delivery, do they see it?](#)
9. [Food arrived cold and late due to the driver stopping to pick up his daughter in the opposite direction of my house.](#)
10. [Orders already picked up?](#)
11. [The incompetence that is McDonald's](#)
12. [Order stolen. Support will not refund me.](#)
13. [How to report order not made directly on app?](#)
14. [Restaurants that load food containers into a bag sideways](#)
15. [To everyone saying DoorDash is oversaturated with drivers... \(the problem is the shart pay\)](#)
16. [Confused after first order](#)
17. [almost all stacked orders are affecting my own time percentage lately because doordash is not updating the expected time on stacked deliveries](#)
18. [Over 2 hours dashing - 0 orders](#)
19. [I only took no tip orders, and made \\$36 in 8 hours of non-stop work](#)
20. [here is documented proof DD is keeping payments.. track all your info.. especially if working under "Hourly pay".. DD does not pay to wait on catering orders.. now I have to argue for over an hour of withheld pay.](#)
21. [Do you think DoorDash should put a Heavy Item warning on orders?](#)
22. ["Raise acceptance rate to 50% to get priority on order"](#)
23. [DoorDash directly violating law, requiring acceptance rates above 50% for access to orders.](#)
24. [this is so evil... "increase acceptance rate to get higher paying orders first"](#)
25. [DoorDash offered me \\$27 to go 51.8 miles. I drive 51.8 miles, order vanishes.](#)
26. [Cost me \\$300 on my tax refund](#)
27. [I've got a meeting with a doordash rep via zoom to discuss changes and recommendations to "help improve the future of doordash" in a few weeks:](#)

33. [Deactivated by DoorDash automated system](#)
34. [DoorDash is stealing from California drivers](#)
35. [Door dash upsets me sometimes, but after losing my job and being desperately in need of rent money, I can't complain. It was a grind but at least rent is paid, 72 hours of listening to Joe Rogans podcast made it bearable. What's the most hours/money you guys have made in a work week?](#)
36. [Indecent exposure - My 1st delivery , it was a meet a door. Dude comes out in his flannel pjs with 'wonky wonky' head all out 🤔👀!! Yes I called support. I'm shaky & disgusted!! OMG!!](#)
37. [Can you use an iPad to dash or does it have to be your phone? I have a "safe drive" thing on my car and it's dinging me for phone distractions ♂ \(I do have cellular service on the iPad\) Thanks!](#)
38. [Don't want to hear any more theory about DD algorithm or AI, as far as I'm concerned DD is just another delivery service broker dishing out orders \(sh*tty & otherwise\) to the next available driver via apps.](#)
39. [Brand new driver, no dash yet because even when I get a notification saying it's busy in my area, I get this when I open the app. Any idea why? Should I contact customer service or wait?](#)
40. [Does anyone use these DoorDash light up signs on their car? I wanted to look more professional during deliveries and my customers deserve only the best service.](#)
41. [DoorDash went from being almost a 100 billion dollar company, to loosing 76 % of its value. It's not us, it's that the company is garbage and less and less people use it for its services everyday.](#)
42. [Customer Service Reps are incompetent](#)
43. [I wanted to upgrade to a new phone and switch my service carrier as well. If i have the same account on 2 phone will DoorDash think it's a duplicate and I'll get deactivated? Has any one else updated their phone and plans?](#)
