SAFETY

1. [These never ending texts are gonna cause wrecks](#)
2. [Is it just me or does DD not send you orders unless you're driving around?](#)
3. [Large unleashed GSD blocking door, customer not responding and customer support won't answer \(been waiting 20 minutes\). What do I with order? I don't have health insurance and would prefer not to take my chances for \\$8.50.](#)
4. [Got bit by a dog on delivery today. Not sure what to do. Dash said they are sending my report to legal and get back with me . I can't really afford to go to the urgent care. The owners lived in apartment and more than likely don't have home insurance. Advice???](#)
5. [Does anyone else think we should have more time to accept deliveries? I'm generally driving when I get an offer and I'm realizing I could seriously get in an accident bc I'm worried about accepting or not while I should be keeping an eye on the raid.](#)
6. [my AC's dead so my brain gets fried while delivering, so i've fked up and ended up leaving parts of ppl's orders in the car and driving away with em multiple times, genuinely by accident.](#)
7. [got really bad shortly after in SWFL. y'all be saying "love working in storms, fat tips"... not me, seem to be average tips for me & not worth higher risk of accident. went home 60 mins after when it became torrential downpour & lightning.](#)
8. [Pick up and Delivery times are often ridiculous and probably contribute to car accidents, delivery errors and stress. I hate them. I try to do Eats as much as possible.](#)

10. [the decline procedure is soo long and stupid. it's literally a potential accident waiting to happen or even a lawsuit](#)
11. [Highest peak pay I've seen in Oregon. This is because of the snow and icy roads though. Tempting to go but not risking an accident for more money. \(I know how to drive in Winter, there's just still always a risk\)](#)
12. [The unthinkable happened. A thank you & some perspective.](#)
13. [Is there anyone else who thinks the new "Cash on Delivery" Pilot Program's dangerous for drivers? I mean, we can't even rightfully carry "only have \\$" in change signs because we don't know what they want us to handle... Contact them and ask it to be changed before someone gets unnecessarily hurt...](#)
