8. [People that do this full time, how do you apply for apartments ?](#)
9. [DoorDash was CAUGHT stealing tips from drivers in 2019 & now they're continuing to do so by hiding YOUR TIPS from them, convincing them to take unprofitable trips. THIS NEEDS TO STOP. Some Dashers are earning as little as \\$5/hr! Workers need to live. Please JOIN our movement & support the drivers!](#)

26. [When all is said and done it really is the drivers who accept \\$2.50-\\$4 orders from no tippers that do the most damage to other drivers. If a driver doesn't pickup and order doordash must refund restaurant and order.](#)
